

Goal Setting for AP Biology

The things I hope to gain from this class are (think of all the reasons you wanted to take this course):

Primary goals:

- 1.
- 2.

Secondary goals:

- 1.
- 2.

The grade I would like to make on the AP Biology Exam is: _____

The AP exam is graded on a scale of 1-5. Scores of 3-5 earn you college credit in laboratory science at some universities, with a score of 5 giving you the most college credit.

I will find the time to perform 1-2 hours of work daily for this course by doing the following:

- 1.
- 2.

I will study each day at (time) _____ in (place) _____. I can

help myself remember my goals and work toward them by:

- 1.
- 2.
- 3.

My teacher can help me obtain my goals by:

- 1.
- 2.
- 3.

My signature _____

My sponsor's signature _____
