

## Coastal Sage Scrub Plants

Scientific names are in *italics* (*Genus species*).

Lemonade berry  
*Rhus integrifolia*  
Native

Laurel sumac  
*Rhus laurina*  
Native

Toyon (holly leaf cherry)  
*Heteromeles arbutifolia*  
Native

Sweet fennel  
*Foeniculum vulgare*  
Non-native

California wild buckwheat  
*Erigonum fasciculatum*  
Native

Spine shrub  
*Adolphia californicum*  
Native

Ca. Deer weed  
*Lotus scoparius*  
Native

Coastal Ca. sagebrush  
*Artemisia californica*  
Native

Black sage  
*Salvia mellafera*  
Native

Bunch grass  
*Stipa pulchra*  
Native

African daisy  
*Arctotis stoechadifolia*  
Non- native

Lady fingers  
*Dudleya edulis*  
Native

Lady fingers  
*Dudleya paucifolia*  
Native

Australian saltbush  
*Atriplex semibaccata*  
Non-native

Wild oats  
*Avena fatua*  
Non-native

California Brome (Wild wheat)  
*Bromus carinatus*  
Native

Ca. House holly fern  
*Cyrtomium falcatum*  
Native

Wild cucumber vine  
*Echinocystis lobata*  
Native

Bridal creeper  
*Asparagus asparagoides*  
Non-native

Gooseberry <i>Ribes speciosum</i> Native	Black wattle acacia <i>Acacia hakeoides</i> Non-native
Russian thistle (Tumble weed) <i>Salsola tragus</i> Non-native	Blackwood acacia <i>Acacia melanoxylon</i> Non-native
Wild Hyacinth (Blue Dick) <i>Dichelostemma pulchellum</i> Native	Canyon pea <i>Lathyrus jepsonii var. californicus</i> Native
Tree Tobacco <i>Nicotiana glaucce</i> Native	Yellow pea plant <i>Lupinus abroreus</i> Native
California chicory <i>Rafinesiquia californica</i> Native	Coastal barrel cactus <i>Ferocactus viridescens</i> Native
Torrey pine <i>Pinus torreyana</i> Native	Prickly pear cactus <i>Opuntia littoralis</i> Native
Date palm <i>Phoenix canariensis</i> Non-native	Yarrow <i>Achillea millefolium</i> Native
California fan palm <i>Washingtonia filifera</i> Native; indigenous to CA. desert	Geranium <i>Pelargonium sp.</i> Non- native
Eucalyptus <i>Eucalyptus sp.</i> Non-native	Lion's tail agave <i>Agave attenuata</i> Non-native
Italian pine <i>pinus pinea</i> Non-native	Century plant <i>Agave americana</i> Native
<i>Myoporum laetum</i> Non-native	Lichen Native
Mock orange <i>Pittosporum tobira</i> Non-native	

Spike moss <i>Selaginella selaginoides</i> Native	Blue-eyed grass <i>Sisyrinchium bellum</i> Native
Crown daisy <i>Chrysanthemum coronarium</i> Non-native	Mariposa Lily (yellow) <i>Calochortus clavatus</i> Native
Hybiscus Non-native	Mariposa Lily (purple) <i>Calochortus weedii</i> Native
Nasturtium <i>Tropaeolum majus</i> Non-native	Wild Morning Glory <i>Calystegia cyclostegia</i> Native
California sunflower <i>Encelia californicum</i> Native	Yellow Water Flag Iris <i>Iris pseudacoris</i> Native
Wild onion <i>Allium haematochiton</i> Native	Wild Radish <i>Raphanus raphanistrum</i> Non-native
Wild mustard <i>Hirschfeldia incana</i> Native	Ice plant “Highway ice plant” (pink or yellow) <i>Mesembryanthemum sp.</i> Non-native
Golden stars <i>Blumeria crocea</i> Native	Ice plant (red apple) miniature <i>Mesembryanthemum sp.</i> Non-native
Goldfields <i>Lasthenia minor</i> Native	Crab grass <i>Digitaria sanguinalis</i> Non-native
Monkey flower <i>Mimulus brevipes</i> Native	Long leaf pondweed <i>Potamogeton nodosus</i> Native
Sour grass <i>Oxalis pes-caprae</i> Non-native	Jade plant <i>Crassula ovata</i> Non-native

Cornish mallow  
*Lauater cretica*  
Non-native

Pampus grass  
*Cortaderia selloana*  
Non-native

Cattail  
*Typha latifolia*  
Native

Watercress  
*Nasturtium officinale-aquaticum*  
Non-native

Fool's watercress  
*Apium nodiflorum*  
Non-native

Red dock  
*Rumex acetosella*  
Non-native

Curly dock  
*Rumex crispus*  
Native

Bulrush  
*Scripius atrovirens*  
Native

Manna grass  
*Glyceria striata*  
Native

Bottlebrush sedge  
*Carex comosa*

Green algae

African umbrella plant  
*Cyperus involucratus*  
Non-native

Dandelion  
*Taraxacum officinale*  
Non-native
